As you have ev'-ry age brought us great hope Now you shine down to Earth feed-ing our crop.
Not for us a - lone your light comes down Di - fused by the leaves of nat-ure's crop.
From the sky realm above gift to our gard Giv-en from migh-ty ones who made the world.

25 A D Em A Em D Em A

Con-stant one known to all keep-er of oaths as your light shone up-on our fath-er's fields.
Ca - no - py of the wood which-ing the drops bring them strength from the light to fruit and nut.
With the walls of the sea se-cured and strong Sing we now to the gods who give us hope.
