-vate with the faith that it will yield e - nough to get through new days.  
 through and be - come the fut - ure of that kind, feed us through new days.  
 kine as the cy - cle of the rich new life gets us through new days.  
 strong so the next crop will be plen - ti - ful to get through new days.  
 strong let each piece be heal - thy and the fruit to get through new days.
